Harold:

I ran across this while going through clippings I had saved.

If you wanted info on Duarte because you know of connection between him and JFK plot, then undoubtedly this will interest you greatly.

If it is in connection with RFK killing that you want info, then probably you have already seen this.

I have not yet received a reply to my 28 October letter to the Cuban Embassy; I do not know why. I wrote a second letter today, and again asked for an appointment to see the Ambassador.
